### **President's Message -**

**Our next general meeting will be on May 4, 2021 at 7pm. Our meetings are held at one of our sponsors - Jackson's Cafeteria, 1453 E. Franklin Blvd, Gastonia. You are not required to eat to attend our meetings, but Jackson's has really good country cooked food, so come early and join us.**

First of all, I owe each of you an apology for this very late newsletter again. Here lately I can't seem to keep Mr. Stillwell out of the hospital but we are working on it. I think hospitals are the most boring and tiring places that a family member endure. Plus Peewee is never a happy camper there either. The cost of these hospital stays have been very expensive especially adding on the cost they charge for us doing dialysis at home. I do not understand our health care system that it can take everything a person works for just to stay alive. Frustrating!

Creekside was as special this year as it always is even in the rain. But what is a little rain to bikers? We party in all kinds of weather plus Gaston CBA had a successful weekend. If you have never been, it's a great weekend with bands, bike games, vendors and most of all friends coming together for a good time. You can camp or just come during the day. It's only \$20 for the entire weekend. So make your plans for this fall's event. And please say a little prayer that it won't rain.

Wow! Our first Sunday event was a success! There is so much going on in our area on Saturdays that we tried this and it worked. Now how do you feel about it? Did you like or dislike the Sunday Spring Fling? Would you participate next year if we have it on a Sunday? What were your likes (or dislikes) about the ride? Drop Gabby, Donna or me a note on your views on this event being on Sunday. We do our events at our September meeting in our to have them in the CBA Calendar for the next year so we need to hear from you as soon as possible about this event or other events. Do you participate in our events? If not—why? What can we do to make them better to where you would want to attend? We signed up or renewed 22 members.

It's Myrtle Beach Rally time! I really don't know why they call it the "Myrtle Beach Bike Week" since most of the events take place south or north of Myrtle Beach (since they don't seem to like bikers). We always enjoy the rally because Peewee's MC rents a big house (usually on the beach) for the entire crew. The best meal of the day (for me) is always Karo cooking breakfast. He really does it up right and it's always delicious. It's not really about the "rally" but the friendship between brothers and sisters that make it a very special week. Are you going? If you are—please ride safe. We have lost so many of our friends over the last couple of years so we don't want to lose you.

Gaston CBA is going to be setting up at the Indian Dealership on May 29th for their IMC Parking Lot Party. Come out and have a great FREE time! There will be a burger truck and traveling humidor plus other vendors and organizations. Indian has been one of our constant sponsors and for that we are very thankful.

May (as always) is National Motorcycle Awareness Month. Do you know how important this is to us? It shows the rest of the country that motorcycle safety and awareness about our laws are very important. We don't want laws to impede on our freedom but we also want laws to protect us. This is why your CBA/ABATE of NC and the Motorcycle Riders Foundation is so important to all bikers. Is your membership current? If not there is an application in this issue or you can join or rejoin on line at the website listed above. Plus you all know about the \$3500 accidental death or dismemberment insurance that each member gets free from American Income Life. And sadly we've had several claims already this year, so it is a good thing even though we sure don't like putting in those claims. By the way they can also provide you with all your insurance needs so check them out when or if they contact you.

As always—ride safe.....Jill

## 2021 State CBA Legislative Agenda

Our main focus for the 2021 long session will be -

Anti-Profiling

Equal Access to parking facilities built with taxpayer funds – we will reintroduce this bill

Grass clippings on the roadways

We will monitor legislation for anything that may come up regarding motorcyclists and we will be supportive of the groups pursuing "Hands free NC" legislation. We will monitor lane filtering/splitting in the states where legislation has been passed.

### MRF High Priority 2021 Legislative Agenda

**Profiling:** Continue pursuit of the House anti-profiling resolution mirroring the Senate version that passed unanimously. Build momentum for inclusion of anti-profiling language in other legislation.

**Renewable Fuels:** Advocate for targeted changes to the Renewable Fuel Standard (RFS).

**Autonomous Vehicles:** Advocate and monitor any legislation or regulations related to motorcycles concerning connected and autonomous vehicles.

**Emission Regulations:** Engage the EPA & Congress on any activity related to motorcycle emission regulations.

**Definition of a Motorcycle:** Educate policymakers and advocate for change to current definition, that better reflects the current two- and three-wheel motorcycle landscape.

**Crash Avoidance:** Continue to promote the theme of crash avoidance versus safer crashing urging NHTSA and the DOT to focus on crash prevention and rider education.

**Helmet Laws:** Oppose any mandatory federal helmet, apparel or conspicuity standards.

**Black Box:** Pursue legislative language that any collected or available vehicle data is the property of the consumer and in which the consumer has the choice to opt-out of having their personal data communicated to interested parties.

**Surface Transportation Reauthorization (Highway Bill):** Advocate and pursue legislative efforts that impact motorcyclists in the Highway Bill, now set to expire in 2021.

## VICE PRESIDENT'S CORNER -

Hello everrbody, would like to wish everyone a Happy Mother's Day.

We set up again at Creekside Bike Rally along with other vendors. Signed up some new Members as well as some lapsed. They took advantage of our Membership special...

Like to welcome all new and lapsed members. Oh and did I say "Welcome back Beef"!!

Great turn out in spite of the rains that came late Saturday..Watching the bike games is always a lot of fun. SkynDeep and Killing Time were rocking. Bobby with Smoky Mtn. BBQ had his food truck there, and yes I had a BBQ sandwich. Saw some old friends and met some new. Had a awesome time. Looking forward to Fall Rally in September.

Sunday April 18th was our Spring Fling Run. Registration at Cycle Gear. Turn out was good for a Sunday. Spyder, Our Road Captain led the group through the country roads to Blue Ridge Harley Davidson and from there to Mountaineer Tavern, where the ones that didn't get to ride set up our raffle prizes. "Griz" Jim Tench cranked up the grill and grilled some great hot dogs with fixings and desserts made by Our President Jill. Sold some t-shirts. Oh, if you've not see the ladies you need too. Several different colors and sizes. They have cap sleeves with a v-neck. Also the new Yard signs look great! Amanda Pleasant's won the Low hand, Michael Cline high hand, Billy Atkins won the 50/50 and Donna won the Budweiser Seltzer cooler. Congratulations to you all. A special thank you to Shawn Mann for all his help and support. And for all the workers (mostly Officer's) that participated in making this a great day. Much appreciated. Thank you all for coming out.

Our next date to set up is May 29th at Indian Motorcycle for their Parking Lot PaRtY from 11am - 2pm. Food trucks with Burgers, dogs and french fries. The traveling Little Havana Humador will be there. Stop by and see us!

May is National Motorcycle Awareness Month. Do you belong to a Motorcycle Rights Organization like the CBA/ABATE of NC? And if you don't - WHY? This organization along with the Motorcycle Riders Foundation have made it possible for you to be able to customize your bike the way you want to, stopped motorcycle only checkpoints in NC as well as other important issues that we don't (or do) need. We need you to join TODAY!

Ride safe ~  
Gabby,  
Vice President

**A special thank you to -**

Geno Pennington for serving Gaston CBA as an officer over the last several years. Geno served as Vice President and as a sergeant at arms. We regret his departure but hopefully he will stay involved as a member.

Roger "Dodge" Howard for serving Gaston CBA as an officer over the last several years. Dodge was our MSAP Director trying to get this program back on track. He also served as a sergeant at arms.

We need good hard working members to fill these vacancies. If you are interested, please let Jill or Donna know. It takes working members to make an organization a success and we know there are members like that in our chapter.
